EXPANDING RMCM  
PROGRAMS

# ACCESS TO CARE

A photograph of a woman with long, dark, wavy hair, smiling warmly. She is sitting on a grey couch with three children. To her left is a young girl with long dark hair, a purple flower hair clip, and a blue floral dress. In the center is a baby in a denim shirt. To her right is another young girl with long dark hair, wearing a grey shirt with pink polka dots. The background is a warm, blurred indoor setting.

**Availability**

**Accessibility**

**Acceptability**

**Penchansky and Thomas, 1981**

90%  
of top  
hospitals

# EXPANDING REACH

Global Grants Program

# MATERNAL/CHILD HEALTH: AFRICA, SOUTH ASIA, LATIN AMERICA

A trainer teaches mothers proper breastfeeding at the Calhuitz Casa Materna to ensure a healthy first 1,000 days for their children. *Guatemala*

Women attending a nutrition training examine a child's growth chart, learning about the healthy weight and height for children of various ages. *Kenya*

A nurse trainer teaches a suctioning technique to PICU nurses at the National Hospital of Pediatrics (NHP) during a classroom simulation. *Vietnam*

# ORAL HEALTH CARE: *UNITED STATES*

- Access to preventive dental treatment
- Child/family dental health education
