

INVITATION

24 Hours of Reality:

Countdown to the Future with a Global Focus

Sunday, October 11, 2020

4PM to 5:30PM (Eastern Time)

Our 24 Hours of Reality: Countdown to the Future presentation will share different global perspectives on Climate Action with the impact on our communities while addressing the added inequalities caused by the global pandemic.

Welcome & Moderator:

- Margo LaZaro, President and Chair of the NGO Committee on Sustainable Development-NY, Co-Founder/CSO of the SDG Impact Awards Community, Director of UN Relations for Global Family, UN2020, Soroptimist International & a Climate Reality Project Leader

24 Hours of Reality: Countdown to Future: Video Greeting:

- Al Gore, Former US Vice President, Founder & Chair of The Climate Reality Project

Presentations:

- Prof. Jan Dash, PhD, Editor of the World Scientific Encyclopedia of Climate Change (2020)
- Dr. Andrise Bass, Founder of Humanitarian Focus Foundation, Vice Chair of the NGOCSD-NY and a Climate Reality Project Leader/ Mentor – USA & Haiti
- Catherine Schuller, Founder of RunWay the Real Way & Curator of HiTechModa and a Climate Reality Project Leader
